Building-level emergency response plans shall be confidential and shall not be subject to any open or public records requirements. If the LEA fails to file such plan as required by this section, the commissioner may withhold state funds, in an amount determined by the commissioner, from the LEA until the LEA is in compliance.

SECTION 10. The commissioner may grant a waiver of the requirements of this section to any LEA for a period of up to two (2) years from the date of enactment upon a finding by the commissioner that such district had adopted a comprehensive school safety plan on the effective date of this section which is in substantial compliance with the requirements of this section.
